WHO’S WHO – Art Portraits

“Who’s Who” is a celebration of our community. The format is based on the Archibald Prize and is inspired by the knowledge that the originator of this prestigious portrait prize was a Geelong citizen. His home ‘Kildare’ is known today as Clonard College. Heather Armstrong, Manager of the Geelong Advertiser Education page is working in partnership with the Gallery to promote this exhibition. It is proposed to print a full page of student images and photos of sitters in the Geelong Advertiser on the 6th June. This is wonderful publicity and a celebration of student’s artistic skills and creativity.

All students at our school have been working on their portraits this term. These will be sent to the gallery and the Education Officers will choose some for the exhibition. Mums, Dads, Nans, Grandpas, Uncles, brothers, sisters, cousins as well as teachers, sports stars and singing stars feature in our portraits. A school exhibition will be held later in the year.

## WORLD HARMONY RUN

On **Tuesday May 23rd**, students in 4/5B, 5/6A and 5/6M will be attending the Australian opening ceremony for the World Harmony Run.

The World Harmony Run is the longest running torch relay in the world and came into existence in the 1980’s through the inspiration of world harmony leader Sri Chinmoy. It has grown over the years to cover over 70,000km annually and visits over 140 countries each year.

The run seeks to inspire and unite people of ethnic, religious and cultural diversity through its message of goodwill and friendship and link all people together in this spirit of the universal family. As the run passes from community to community and country to country the thousands of individuals who participate in holding the flaming torch are able to feel the power of harmony that it inspires. The flame is a powerful representation of our burning aspiration for world harmony - this has no religious, political or corporate affiliations.

The Australian leg of the run this year begins in Geelong and there is an opening ceremony planned for Tuesday May 23rd in Johnstone Park.
